RELEVANT EXPERIENCE

Software Engineer Intern | i4software | New York City, NY | 07/2023 - 09/2023
Led the rapid launch of an AI-powered full-stack application with a team of 22 developers, meeting a one-week deadline. Contributed to the timely release of 39 mobile apps, emphasizing swift execution and project efficiency. Shipped 17 MVP mobile applications as a team on a one-day deadline using ChatGPT4.0 and prompt engineering techniques. Developed projects, including:
- *FitByte* | Built with NextJs, FireBase, Stripe, TailwindCSS, ChatGPT 3.5 | Site
    Fitbyte allows the user to create a customized and unique meal plan based on their request with the power of AI. The app can also keep track of the user's weight progress.
- *Ta-Da* | Built with NextJs, FireBase, TailwindCSS | Site
    Task managerial app that allows the user to Log in with their Google account, create their task goals, divide them by 'wins' or 'losses', and make a report in PDF format.

Full Stack Software Engineer | Self-Employed | New York City, NY | 09/2021 - Present
Worked with some of the tech industry's most used programming languages and frameworks in developing multiple apps and sites in both front and backend. Developed projects, including:
- *Pokemon Teams* | Built with Liquid, CSS3, JavaScript, Express, MongoDB, NodeJS | GitHub | Site
    Pokemon Teams is a Full Stack App that allows the user to create their own Pokemon Teams using information from an external API.
- *AIC-Visit* | Built with Liquid, CSS3, JavaScript, Express, MongoDB, NodeJS | GitHub | Site
    AIC-Visit is a Full Stack app that allows the user to browse art from around the world and create their own galleries thanks to the external API of the Art Institute of Chicago.
- *Project 3W* | Built with Express, React, Node.js and MongoDB | Back End Repo | Front End Repo | Site
    MERN Stack application that allows the users to create their own goals list and share it with the community (or keep it private if they prefer).

Spa Manager | Asmana Wellness World | Florence, Italy | 06/2015 - 09/2021
Demonstrated exceptional growth within the organization, promoted from Spa Attendant to Team Manager. Proficiently assisted and supported an average of 7,000 spa hosts daily. Skillfully trained and managed a dynamic team of 10+ individuals in a fast-paced environment. Refined mastery in problem-solving, managerial, and team-working skills.
